

## FOAL CONTRACT

We accept a non-refundable deposit of \$500.00 to hold your foal. A deposit is an agreement that you are purchasing said foal and your deposit will take the foal off of the market. Once a deposit is made on a foal it is non-transferable. If the foal is severely injured before pick-up and declared by a veterinary to be unsound from injury, or the foal dies, your money will be refunded. Foals are pastured with their dams in a natural herd environment with other mares, foals, donkeys and cattle. Scrapes, abrasions, and minor injuries are a natural occurrence and unique to the individual. Foal must be paid in full before or at the time of pick-up. Pre-purchase exams at buyers expense are encouraged if there are any concerns. We will provide photos and videos before purchase. You are most welcome to make arrangements to come and see the foal in person. We will update buyer with photos and videos as foal grows. Upon weaning, foal will be dewormed, vaccinated and branded. Coggins and health papers will be provided if needed. It is the buyer's responsibility to have horse transporter/shipper keep in contact with us to schedule a date/time for pick-up. Halter and lead will be provided. Weanling may or may not be halter broke, please remember they are just babies. We are not responsible for injury or death that may occur once weanling is on transporter/shipper/buyer's trailer and has left our property. Forms of payment we accept are personal check, money order, certified check, bank wires or cash. If you choose personal check we allow 5 business days to receive the check. Please contact us for any questions or concerns. All sales are final.
